

"Behind Every Healthy Smile is a Healthy Child"

Oral Health Month in conjunction with Colgate and the Ministry of Health was launched on Sunday November 1st, 2009. Activities for the month include appearances on several television shows, a booth Display at the Dental Health Fair in San Pedro and visits to eight schools to provide Dental care to 1000 children.

The first Schools visited were St. Peters Anglican and La Immaculada Primary Schools in Orange Walk. The Grace team also traveled to Lucky Strike Village to offer free check-ups and cleaning to the entire school. Several other schools and communities will be visited before the end of November.

Thanks to all the Dentist and Colgate for making this year's OHM possible. We look forward to next year.

This year's Theme is" Behind Every Healthy Smile is a Healthy Child". Our aim this year is to visit 1000 children and conduct check-ups and educational programs. We have 500 more to go!!!
